Daliparthi Anantha Karthikeya

B.Tech CSE Student · Full-Stack & Java Developer · Cloud & AI Enthusiast

ABOUT ME

Motivated Computer Science & Engineering student with a strong foundation in Java, Python, React.js, and Spring Boot. Passionate about full-stack development, cloud computing, Kubernetes, microservices, and AI. A quick learner and collaborative team player, eager to contribute to impactful software projects through an internship or entry-level developer role.
